iMPACT Learning Center

a division of the 21st Century Council
Individually Managing Personal Achievement and Career Training

Dear Patron:

The IMPACT Learning Center will host the Low Country Luau Friday, April 25, 2025, at the Goose Pond Amphitheater. This event is instrumental in raising funds to support our programs for the upcoming year. The Low Country Luau serves as a cornerstone for our fundraising efforts and provides crucial support for our programs which benefit all citizens of Jackson County along with business, industry, schools, and local organizations. Please consider donating by purchasing tickets, sponsoring the event or donating items for the silent auction. Your support makes a significant difference in our ability to serve our community.

We hope to see you at the 2025 Luau!

Sincerely,

IMPACT Board of Directors
